## final BILL of the school year

This bill is your last one for the 2014 - 2015 school year! You are not charged for lessons or classes that fall on holidays or during scheduled CMS breaks. Lessons continue through June 27.

## SUMMER session & fall pre-registration

CMS will be offering lessons & classes during the summer. Registration materials will be handed out by instructors in late May. Summer students can choose a more flexible schedule to accommodate all their vacations & activities. Fall 2015 - 2016 pre-registration materials will be included as well. Sign up early to reserve your preferred time slot!

## HONORS recital

The CMS Honors Recital will be held on Sunday, June 7th at 2pm at Montante Cultural Center (Canisius College, 2001 Main Street). This is your chance to see firsthand what our talented, dedicated students have been working on all year.

## summertime ROCKS

Summertime Rocks will be a six week session, open to children & teens who are interested in exploring & performing rock-based genres in a setting that is based on the "jam session." Students will not be learning chords or practicing scales - they will be working together to understand how to make music themselves. This class will be held on Wednesday evenings at 6:00pm & the emphasis will be on guitar, drums & keyboard. If you'd like to bring another instrument, just ask! Registration materials will be available by the end of May. This program is sponsored by a generous donation from Hodgson Russ.

## FREE fiddle 'n folk

CMS will be offering five FREE Fiddle 'n Folk jam sessions on Wednesdays from 7:15 - 8:15pm, May 27 - June 24, with Phil Banaszak. Learn to play folk music in a jam setting - improvise, play by ear & have an all-around good time. Must have own instrument.
