

## FALL session

We hope you had a wonderful summer & are **ready for music lessons** beginning September 9th! Each 30 minute individual lesson is \$25.00, each 45 minute lesson is \$37.50 & each 60 minute lesson is \$50.00. Group class & ensemble rates remain unchanged. There is a 25% discount for additional siblings in the same group class. Please remember that you may apply for financial assistance by completing a request form & providing proof of family income.

## BILLING info

We have enclosed a **calendar & a confirmation** form reminding you of the date of your first lesson, time, teacher, the way your monthly installment was calculated & other important information. This is the only bill you will receive this month. Please pay the amount shown at the bottom as "balance due" by September 1st. You will receive the usual statement of your account next month.

If there is a mistake on your confirmation or a problem with your attending the first lesson, please call us immediately at 884-4887. Unless we hear from you at least one day in advance, you will be charged for the first lesson whether or not you attend.

Please remember that an automatic \$10 late fee is applied to accounts not paid by the 15th of the month.

## YOUR monthly payment

Here's how we calculate your neat & tidy monthly installment, which will be the **exact same amount** every month:

Total amount of lessons that you will take for the entire school year

x Per lesson cost (30 min \$25.00, 45 min \$37.50, 60 min \$50.00)

÷ 9 Monthly installments for Elmwood (Sept. to May) or 10 for satellite locations (Sept. to June)

Elmwood lessons will be ending early due to building renovations. Please be sure to review the appropriate calendar for Elmwood or satellite locations.

When your tuition was calculated, you were not charged for lessons falling on CMS holidays or breaks, which are indicated in blue (school closed) & pink (make ups) on the calendar. If a lesson or class falls on a special religious holiday for you, please let us know (at least one day in advance).

## RECITAL calendar

Recitals are a wonderful way to **showcase your developing skills & talents** to your peers, family & friends. On the back side of the calendar is a schedule of recitals for the year. To sign up, stop by the front desk or call 884-4887. Please keep this calendar & performance schedule for reference.
